Identification Checks

Just a gentle reminder as the new season starts that the identification process changed last year.

Identification checks will take place in the ring at the start of the class. The handler or owner should be aware of the position of an exhibit's micro-chip. **The owner of any exhibit whose id number does not match that submitted on the entry form must provide original documentation to prove the id number of the exhibit matches the name of that exhibit before its individual assessment commences, if this cannot be provided the exhibit will not be allowed to compete.**

Don't forget to bring your tattoo / micro-chip owner registration documents with you!

The committee of the WUSV/GSDL BRG wishes to thank all those who supported the BRG throughout 2014, and we look forward to seeing you in 2015.
