We wish you all the best of luck at the Christmas Cracker and in 2016.

At the Scottish Progressive GSD Group Regional Show in April 2015, judge Margit van Dorssen decided not to award V gradings to any exhibit that did not have working qualifications, despite having been briefed that this was allowed in the UK. She did make an announcement of her reason and confirmed that all exhibits that had been graded SG were worthy of a V grade. The British Regional Group Committee have decided to treat these SG grades as the highest grade available for the purposes of calculating British Champion Points and Annual Awards Points. This decision is reflected in the points noted above.

Certificate of Excellence

Congratulations also to Sue and Jim Belfield's VA(CH) British Champion Kassieger Renata on gaining her certificate of excellence.

Please remember to send your forms in if you wish to claim your Certificate of Excellence

This relatively new accolade recognises the consistent achievement of the grade "Excellent" over a period of time, and can be claimed by submitting the completed form which can be found on our website – www.gsdl-brg.co.uk (Information Tab)

Annual Awards

We will be calculating the annual awards after the Christmas Cracker show so please remember if your puppy has recently reached 12 months old, we only include exhibits who have confirmed health test results that meet breed survey requirements

Owners have up to 20 February 2016 to submit health test results to Carol Eastwood, the awards administrator, for verification.
