

A NEW-STYLE BREED SURVEY

At the meeting of the GSD Breed Council's Surveyors on 26th March an Adult Breed Survey with a new format was discussed which, if successful and if endorsed by the Clubs, could become the template for all future Surveys.

This New-Style Survey will take place on
Sunday 5th June
At
The Haven In the Vale Hotel
Grantham Rd, Nottingham NG13 9EU

All available Surveyors will be involved and there will be THREE surveyors carrying out the survey on each entrant. The surveyors for each dog will be announced on the day.

Requirements for entry to the Survey can be downloaded from
www.gsdbreedcouncil.co.uk

The Surveyors wish the Survey to be educational for all and are willing to give explanations to onlookers so even if you have not got a dog you are very welcome to attend and ask questions.

This Survey will be hosted by the GSD Club of Essex on behalf of the Breed Council.
