

British Regional Group Press Release April 2018

Gold Medal Winner

We are delighted to announce that the following exhibits have gained sufficient points to be awarded the GSD League – British Regional Group Gold Medal. Congratulations to the owners and breeders of:

Debbie Whitley, Richard Douglas, Alyson Reilly and Carol Eastwood's Antilli Odin

The following dogs have sufficient points to be awarded a gold medal but need to achieve a V1 with 3 or more in their class: Daizy von Ayla's Aura, Paluka Paris, Zanto von der Liebeswarte

There are also seven dogs getting very close to having sufficient points for a gold medal award: Conbhairean Indo (23), Hazroh Varo (20), Alexis aus Famkes Zauberwald (21), Samstag Lissie (24), Samstag Vanta v Absela (23), Vomzoaroff Belle (21) and Fin v Popland (22) – all of them except Belle need a V1 with more than three in the class too.

Rule Change

At the recent GSD League AGM, it was agreed to change the criteria for entry into the Adult and Working Classes with effect from the next Regional after the 2018 British Sieger onwards BGSDTC on 1st July. Any dog who has a training degree of IPO1 or above must enter the working class and not the adult class. This is intended to bring UK regulations more in line with other WUSV countries and address the concerns of exhibitors who feel that a dog entered in the adult class with a working title has an unfair advantage over one without. Any dog entered in the adult class must have a British Breed Survey or a GSDL Health Certificate. Any dog entered in the working class must have a koerung, British Breed Survey or GSD League Health Certificate. Any dog without a koerung may be awarded a V (Excellent) grade up to the age of three years and 6 months, thereafter the maximum grade they can obtain without a koerung is SG (Very Good)
